Comment – Drawings

1. The correction of Figure 6 filed July 15, 2003 is not acceptable and is objected to because a SEQ ID NO is not provided for the “consensus” sequence included in that Figure. While applicant has modified the Figure so as to include the SEQ ID Nos of the other recited sequences, as discussed in the Office action of January 15, 2003, the SEQ ID NO of each sequence must be provided. Accordingly, corrected drawings that include the SEQ ID NO corresponding to the recited “consensus” sequence are required in reply to this Notice of Allowability to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.
